

## **Queen's Road Capital Announces Sale of All QRC Shares Owned by Wyloo**

For Immediate Release February 6, 2024

**Queen's Road Capital Investment Ltd. (TSX-QRC)** (the "Company" or "QRC") is pleased to announce that it has received notice from Wyloo Metals Pty Ltd. ("Wyloo") that Wyloo has entered into binding agreements with a group of non-Canadian investors. The investors have agreed to purchase 107,770,605 common shares of QRC, representing 100% of the QRC shares owned by Wyloo (the "Wyloo Sale").

Warren Gilman, Chairman & CEO commented: "QRC would like to thank Wyloo for its support over the past 4 years. The Wyloo team believed in the vision we had when we created QRC and were rewarded with a superior return on their investment. The Wyloo Sale completely eliminates the significant overhang that has weighed on our shares for many months. We look forward to seeing the share price catch up to the intrinsic value of the company which has seen a substantial upswing over the past several months due in large part to the bull market for uranium equities that represent more than 70% of our current NAV. We would like to take this opportunity to thank current and new investors who have participated in the Wyloo Sale."

The Wyloo sale will be completed off-market and is expected to close in the next two weeks.
